The **Essential Emo**[®], together with the symbols, the quartz and the sacred proportions, is a transmitter of vibrations, specially designed to act on water, the chakras, food and the space immediately surrounding it.

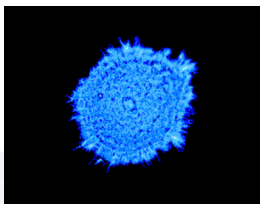

The Essential Emo operates within a 2-metre radius.

How to use the Essential Emo[®]

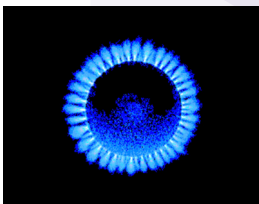

To activate water

Place the container of water recipient on the **Essential Emo**[®] for thirty minutes. After this time the water will be activated. Its 11-centi- metre diameter allows a jar or a one litre or one and a half litre bottle to be placed on it: It can be used inside or outside its box.

Water before

Water after

Food energizer

Place the **Essential Emo**[®] where you store your food products.

To harmonize/align the chakras

Place the **Essential Emo**[®] in contact with the body. Tests carried out with aura and chakra detectors where people have been in bodily contact with the **Essential Emo**[®] give clear signs of harmonization within the etheric field and a clear improvement in the outline and diameter of the chakras.

Protector of harmful electromagnetic radiations

Place the **Essential Emo**[®] anywhere you want protection from harmful electromagnetic radiations.
